

Improving Student Learning at Scale Policy Collaborative / Workshop #2
September 22-23, 2014
Chicago, Illinois

Meeting Objectives

1. Enable states to engage in discussions and analyses and learn from one another about how best to implement the Common Core State Standards in their particular state context; and
2. Assist states in addressing the key policy and implementation challenges, especially thinking about how policies are interacting and timing of implementation.

MONDAY, SEPTEMBER 22
